

Chronology of the Church

"St. Naum Ohrid" in Triengen, Canton Lucerne Switzerland

In 1992, the wonderful and proud initiative of the Macedonian Orthodox Kirchengemeinde St. Naum Ohrid "emerged.

The desire for a separate church was not too long a time elapse, so that at 22nd February 1992 officially documented a church and was elected Chairman of the Macedonian Orthodox Church (MPCO) was established according to our enlightened and saints' St. Naum Ohrid "/" Sv. Naum Ohridski "has been nominated.

Immediately thereafter opened the doors for many new ideas, wishes and possibilities and, of course, for complex tasks and responsibilities. Then many actions have been launched to finance and rapid realization of the project such as music events and voluntary actions. The biggest success was the purchase of the building site at the beginning of the third millennium in 2000 for the construction of our long-awaited Church in Triengen, Canton Lucerne in Switzerland. In January 2001, the land and the temporary church was inaugurated and blessed according to God's will, it was the active inclusion of religious functions take place.

The plot has an area of 4639 square meters and cost C \$ 130.00 per square meters with the total sum of C \$ 603.070.00. With the square was also the "tent" which acquired as a temporary church. It was also a 2 ½-room apartment with 80 acres purchased, which for the stay of our church servant from Macedonia to fulfill the church and church serves a similar function. The flat was bought for C \$ 100.000.00. Through the renovation of the apartment of volunteers is the value at about C \$ 200.000.00 risen.

The current total assets MPCO St. Naum Ohrid "/" Sv. Naum Ohridski "is 1.010.000.00 CHF (total real estate and cash, according to information from the General Executive Board held in January 2005)

In 2004, the congregation MPCO in the commercial register of the canton Lucerne official at the following address:

Macedonian Orthodox Church St. Naum Ohrid "
Gislerstrasse 9
6234 Triengen (LU)
Switzerland

In the same year 2004, negotiations for the blueprint, approval and many other administrative activities. The plan for the church was known by our church architects from Ohrid Todor Paskali created. Mr. Todor Paskali found a wonderful solution to the architecture of the church, which as also from the community in Triengen was approved. Subsequently, the remaining outstanding tasks for the construction were necessary.

Now my believing brothers and sisters of our Macedonian Orthodox Church, it is time in 2005, the last approval for the start of construction of our church to receive, so we laid the foundation for the construction can create.

So this is also a memorable year for us with God and your help as quickly as our long-awaited church to be completed. It is our pride and all the hot house of God for us all mean - not only for the Macedonians in Switzerland but in Europe and around the globe.

That is all our success, but it would not correct all those not to mention, and especially to appreciate what the Church Board, or have belonged. All those working for the fulfillment of the tasks involved, whether your membership since the founding of the parish MPCO for a short, longer or until today out period was persistent.

Macedonia is a country and the Macedonian people after God's will. Forever in the Scriptures written in the book of books - the Bible. It is rightly the biblical historic country also known as the holy land, the land of saints, apostles and altars.

In the night he got a vision: In front of him was standing a man Macedonian, he bet him to come to Macedonia and help them. Apostelstory Paul (D.AP. 16.9) ... © from the BIBLE
